

JOB OPPORTUNITY CLUBROOT INSPECTOR SEASONAL

The opportunity

Leduc County is looking for an experienced and highly motivated Clubroot Inspector to join our team. Reporting to the Manager – Agricultural Services, this exciting opportunity inspects agricultural (canola) fields to prevent the spread of clubroot. As a member of the Agricultural Services team, the Clubroot Inspector contributes to the achievement of the department’s operational deliverables.

About us

The safety of our staff and citizens is our primary concern and we are dedicated to providing and maintaining a healthy work-life balance and environment for our employees.

Leduc County’s mission is to lead the way for people and business to thrive. Our vision is to create a caring and growing community at the centre of industry and agriculture. Leduc County’s operations are guided through our values of:

- *Accountability* – we look after the best interests of Leduc County citizens.
- *Integrity* – we follow through on our commitments.
- *Passion* – we believe in the good that local government can provide and will carry out our roles in a way that shows the importance of local government.
- *Responsiveness* – we act quickly to provide local programs, services, facilities and amenities that our citizens require.

About you

You are a team and relationship builder who promotes a safe, collaborative and professional work environment. You are committed to continuous improvement, customer service, innovation and supporting Leduc County’s vision of growing a vibrant and spirited community.

You are passionate about crops and want to do your part to help prevent the spread of clubroot disease. You enjoy working outside and can handle some moderate physical effort out in the field when needed. You are proficient with Microsoft Office tools, databases and spreadsheet applications.

If you have the ability to synthesize and analyze data and use that data to provide clear, concise reports, keep reading because we want to hear from you!

What you will do
